2014 SERVICE LEVEL AGREEMENT

SERVICE LEVEL AGREEMENT

Standard SLA is included with all servers ordered in Swiftway.

Swiftway gives certain response time guarantees. Our Clients have two options - Standard SLA and Premium SLA.

Standard SLA

Regular SLA included with all servers ordered after 10/5/2013

Premium SLA

Optional upgrade, stricter SLA, not standard included - ask for a quote.

STANDARD SLA

HARDWARE REPLACEMENT

within 90 Minutes Compensation

20% credit for the affected service if the replacement exceeds 90 minutes.

90 Minutes is the longest time our clients have to wait for Swiftway to replace broken hardware parts. The time is measured from the moment we completed troubleshooting a reported issue and determine that the issue is hardware related.

FIRST RESPONSE TO SUPPORT TICKET

within 15 minutes Compensation

10% credit for the affected service if we response later than 15 minutes

Swiftway makes the guarantee that the first response to a ticket is always within 15 minutes. The time is measured from the minute your ticket is received by our system and a ticket number is issued to you.

TICKET UPDATE FREQUENCY

within 2 hours Compensation

10% credit for the affected service if we fail to update you in time

Swiftway guarantees that the longest amount of time our clients will have to wait for an update on a open ticket while we are working on the ticket is 2 hours. The time is measured from the last moment we responded to the ticket.
